

Men of Winter

A Revised & Expanded Edition

‘Calling equally to mind Tolstoy and Homer, *Men of Winter* is an engrossing odyssey along the edge of the world.’

*M. R. Branwen,
editor of Slush
Pile Magazine*

‘Morrissey is blurring the generic boundary between original and derivative, and creating a twilight zone on the order of a musical mashup.’

*Adam Nicholson,
from the Afterword*

Ideal for
Book Clubs
Classroom
Adoption
